In re Application of:

Christine A. White et al.

Serial No. 09/436,347

Filed: November 9, 1999

Attorney Docket No: 23522.0643

: WITHDRAWAL OF ABANDONMENT

This is in response to applicants' petition under 37 CFR 1.181, filed March 7, 2001, requesting revival of the above identified application based on a timely filed reply to an Office action.

A review of the file history shows that the examiner mailed an Office letter to applicants on February 29, 2000, setting a three month shortened statutory period for reply. When no reply was received within six months of the Office action, the application was held abandoned by Notice of Abandonment mailed November 9, 2000. Applicants state that a reply to the Office action was filed August 29, 2000, including a request for a three-month extension. Applicants provide a copy of the reply and an Office date stamped postcard indicating receipt by the Office on August 29, 2000. In view of the evidence presented it is concluded that the Notice of Abandonment was mailed in error and is hereby vacated.

Applicants' petition is **GRANTED**. The application is restored to pending status with the mailing of this decision.

The application will be forwarded to the examiner for further consideration.

No petition fee is required for this petition and the petition fee paid of \$130.00 will be credited to applicants' Deposit Account No.03-3975, as directed.
